### music profile

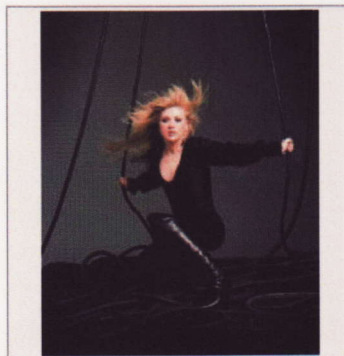

#### Kelly Clarkson

##### Biography

by Victoria Hutcheson

Everybody with a TV knows Kelly Clarkson's story. In 2002, she beat ten thousand other hopefuls to win the first season of American Idol. The combination of her Greek/Welsh good looks and her chillingly good renditions of Aretha Franklin tunes helped her sail through to the final round.

Kelly had come a long way from the broken home where she grew up in Texas. Her parents split up when she was six. Her brother went away to live with her dad and her sister went to live with an aunt, while she stayed with her mom. This experience became the inspiration for her song 'Because of You.'
