movie Synopsis

Hayden Panettiere

Biography

by Mandy Smyth

Hayden Leslie Panettiere may only be a teenager, but if you IMDB her, her list of films and tv shows is ridiculously long! Where has this girl been? Well, I know where she is now. She is the Cheerleader from the hit NBC show, "Heroes," which is, by far, one of the best shows to hit television.

Hayden was born in Islip, NY and she still lives there with her parents, Leslie and Skip and her little bro, Jensen. Her first jobs were in commercials when she was only 11 months old. She was cast on "One Life to Live," the soap opera, when she was four years old. She stayed on that show until 1997 when she moved over to "Guiding Light" (if you don't know what these shows are, it doesn't matter, they are soaps.)
