### Game Synopsis

#### Tiger Woods PGA Tour '06

##### Description

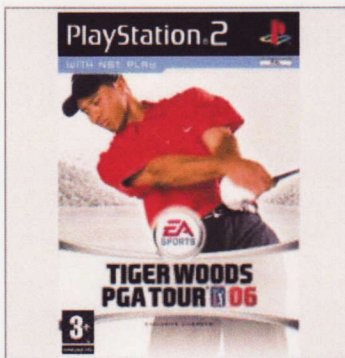

by [Rob Mayhew](#)

"If you're looking for a new golf game, there's nothing better." - Yahoo! Game Review

EA Sports absolutely annihilates all competitors when it comes to video game sports. With top-selling, elite titles such as John Madden Football, NCAA Basketball, Fight Night, and both the FIFA and NHL series ruling the sports genre for over fifteen years, this year's Tiger Woods PGA Tour is no exception to the rule. Complete with perfect representations of many of the current PGA Pros, down-to-a-blade-of-grass replicas of many of today's current Pro golf courses, and dual-analog stick, exact-motion technology, Tiger Woods PGA Tour '06 completely immerses the player in a world of golf wonder. It's the closest thing to actually being outside on the golf course.
